

FOXY APPROACH . . . Richard Tiernan, in the role of Volpone, and Annabel Baird, playing Celio, rehearse a seduction scene from the classic satire "Volpone," or "The Fox." The play, featuring students at Cal State Dominguez Hills, will open Thursday in the new college drama facility. Other performances will follow on February 28 and March 1, 6, 7 and 8. Curtain time is 8:30 p.m. Supporting players include Douglas McEwan, David Buckland, Connie Hauser, and Richard Van Slyke.

Poll Shows Area Voters Support College Tuition

Returns from a survey conducted by Sen. Ralph C. Dills (D-San Pedro) of nearly 90,000 households in the 32nd Senatorial District indicate that voters favor tuition for students at the University of California and the state colleges.

Figures released by Dill's capitol office show nearly 79 per cent of those polled prefer that tuition be charged at the university and colleges; 18.4 per cent said no and 3.8 per cent had no opinion.

Senator Dills said these figures are up 6 per cent over a similar poll taken last April apparently indicating the public's increasing dissatisfaction with the turmoil at some of the institutions of higher education.

THE SURVEY also showed that 78.4 per cent favor reduction in property taxes, while at the same time felt that other taxes should be increased to make up the loss. More than 32 per cent would increase the cigarette and liquor tax; 30.9 per cent favored additional corporation and income taxes; 17.3 per cent called for increases in sales tax, and only 6.3 per cent desired additional sales taxes.

Dills said 44.2 per cent favored gun controls and requirements for licensing all guns, while 52.8 per cent were opposed. But on the question of requiring registration of guns, 54.2 per cent favored such action, and 42.5 per cent were opposed.

On the question "Do you believe our government social welfare costs are higher than they should be," 81.6 per cent said yes, while only 12.5 per cent said no.

AT THE same time, 45.4 per cent of those polled favored state financing and administering welfare, while 42.4 were opposed.

Dills said the results indicated that 81.2 per cent of those polled felt there was much cheating in our welfare programs.

Those polled overwhelmingly turned down the question of lowering voting age to 18 by 62.2 per cent.

Senator Dills said the four Assembly districts (44th, 55th, 67th and 68th) within the 32nd Senatorial District each showed similar voter reactions with little deviations from the overall pattern.

College Students Plan Red Cross Seminar

Student representatives from 18 Los Angeles colleges will meet March 1 for the spring Red Cross Youth college conference, Don Long, Red Cross Youth chairman for Los Angeles, announced today.

The one-day conference will feature discussion groups on how to best meet community needs, how to recruit college volunteers, and the relationship between college Red Cross Youth groups and their schools.

College students working with Red Cross are regularly involved in social service activities at housing projects, teen centers, juvenile detention facilities, and hospitals.

Rhonda Kurtz, Red Cross Youth chairman for Gardena, and a student at El Camino College, is a member of the conference planning committee representing colleges from Southern Los Angeles.

The conference will be held at Mount St. Mary's College, 10 Chester Place, Los Angeles.

Road Funds Authorized

County supervisors have allocated \$10,000 to cover the cost of preliminary engineering for improving Lomita Boulevard between Crenshaw Boulevard and Western Avenue in Lomita, Supervisor Burton W. Chace said today.

Chace pointed out that Lomita Boulevard is a County Master Plan Major Highway which will ultimately be improved to a

four-lane highway, with curbs and gutters.

The funds will be used for the preparation of a preliminary project report to determine a precise alignment.

"This determination will facilitate future development of adjacent property and will also be used by the city of Lomita in programming the improvement," Chace said.
